

Dear Messrs,
Greetings from REFORM Association

Subject: Request for Quotation

More Job Opportunities - Creating an innovative workforce in Palestine

REFORM on behalf of Sawa Sawa committee came together to create a knowledgeable, competent, motivated, entrepreneurial and innovative workforce in Palestine, one that provides youth and women with better opportunities for employment and self-income. This newly designed project will build the capacities of youth and women in technical and vocational training, while at the same time providing entrepreneurial skills, thus integrating them into the labor market. The provided workshops will provide the opportunity to network with the private sector, civil society organizations and ministries.

Project's outcomes:

1. Increased awareness and coordination amongst CSOs, PSOs, Ministries of Labour and Education, universities and schools in regards to contributing to the enhancement of capacities of youth and women to reduce the unemployment rate.
2. Youth and women have enhanced capacities to start their own businesses or received salaried employment.
3. Youth are more aware about the current labour market and marketing techniques and able to network with local businesses and other youth.
4. Youth, women and men have a greater understanding of the advantages of technical and vocational education and able to combat their prevailing attitudes towards informal education.
5. The private sector is more able to meet the demand of the market by hiring skilled labour.

Targeted Group: 100 Youth and women (50% women) from marginalized and hard-to-reach areas of Nablus, Ramallah, Bethlehem and Jerusalem, ages between 18-39 years.

The Palestinian Association for Empowerment and Local Development –REFORM, on behalf of Sawa Sawa Committee seeks to establish pool of facilitators and trainers; therefore you are kindly requested to send your price offers if you are interested or have the capacity in any of the following tracks.
