

The Palestinian Association for Empowerment and Local Development - REFORM, announces the launch of its new program, "You are a Decision-maker", at the Innovation Hub. This program aims to empower REFORM's target groups, women and youth between the ages (19-28), through accompanying a number of decision-makers in different fields, in order to develop and improve their leadership capacities, to maximize their participation in public life and to enhance the responsiveness of decision-makers to adopt supportive policies that reflect the needs of women and youth, strengthening the accountability of government officials.

Note: To participate, please fill in the attached form by visiting the following link:
