

Date: 11.12.2024**Request for Quotation****Consultant to Develop Social Transformation Manual****Background:**

The Palestinian Association for Empowerment and Local Development – REFORM is a Palestinian NGO that works in the fields of empowerment, local development, and social transformation. Seeking to promote inclusion and social solidarity in Palestine through empowering marginalized hard-to-reach groups, and structural reform. REFORM aims to enhance the social and political participation of marginalized hard- to-reach groups and community activism, to facilitate equal access to public utilities through strengthening the capabilities of young and women, and to provide a reliable database for the political and administrative decision makers in Palestine.

This initiative seeks an expert consultant to review, develop, and enhance the existing manual, ensuring that it aligns with current needs and circumstances, incorporates updated tools and methodologies, and effectively addresses the changing dynamics of Palestinian society.

Interested Candidates shall submit their offers **latest by Thursday, 19.12.2024 by 12:00 PM.**

Expected Outcomes:

An updated version of the training manual that includes updated content and is integrated with modern tools, methods, and interactive activities, Improve the effectiveness of the manual's use in training and enhance its impact on beneficiaries, facilitating trainers and beneficiaries' understanding of community transformation concepts and their application in the Palestinian context.

Specifications:

- ✓ Minimum Bachelor's degree in Social Sciences, Development Studies, Peacebuilding, or related fields.
- ✓ Experience in designing and preparing specialized training manuals in social transformation, including interactive activities.
- ✓ At least 10 years of experience in implementing training and capacity building in the social field, developing training manuals.
- ✓ At least 7 years of previous knowledge and experience in using community transformation methodologies, and implemented social transformation trainings.
- ✓ High cultural sensitivity with the ability to interact respectfully with various segments of society.
- ✓ In-depth knowledge of social transformation methodologies, including conflict management techniques, contextual analysis, and community intervention strategies.

- ✓ Experience working with youth and marginalized groups, with a particular understanding of the challenges and issues of vulnerable groups in the Palestinian context.
- ✓ Good knowledge of conflict analysis and strategic planning frameworks and methodologies.
- ✓ A comprehensive understanding of the Palestinian political, social, and economic context and its impact on social transformation.
- ✓ Strong research skills in collecting and analyzing data related to communities and conflict analysis.
- ✓ Excellent communication skills to deliver and facilitate training effectively.
- ✓ Proficiency in Arabic (written and spoken) and English (written and spoken).
- ✓ High cultural sensitivity with the ability to interact respectfully with various segments of society.

Scope of work:

- ✓ Review the current updated training manual to assess its components and contents against best practices and standards in the field of community transformation.
- ✓ Review and organize the content flow, analyzing the manual structure to facilitate its use by trainers and beneficiaries.
- ✓ Analyze the relevance of the manual to the Palestinian context and the needs of target groups, including youth and marginalized groups.
- ✓ Identify gaps or weaknesses in the current content and suggest appropriate improvements.
- ✓ Update the contents of the training manual to reflect recent developments in community transformation methodologies, including conflict management, contextual analysis, and intervention strategies.
- ✓ Incorporate new practical tools and models to improve the applicability and interactivity of the content.
- ✓ Gather feedback from trainers and participants to ensure that modifications meet practical needs.
- ✓ Provide recommendations on how to develop the manual and train users to use it effectively.
